| **Subject:** | Updated SARS Guidance |

FOR: All DOC Employees

To ensure that Departmental guidance regarding severe acute respiratory syndrome remains consistent with the most recent recommendations from the Centers for Disease Control and Prevention (CDC), we are providing the following.

On May 14, 2003, the CDC released two new important guidance documents regarding travelers arriving from affected areas.

The first document, Interim Guidance for Institutions or Organizations Hosting Persons Arriving in the United States from Areas with Severe Acute Respiratory Syndrome (SARS), will be of particular interest to offices hosting events that include participants from areas with SARS. Here is the link to the document:

http://www.cdc.gov/ncidod/sars/hostingarrivals.htm

The second, Interim Guidelines for Businesses and Other Organizations with Employees Returning to the United States from Areas with SARS, will be of interest to any supervisors and employees that may have co-workers returning from areas with SARS. Here is the link to that document:

http://www.cdc.gov/ncidod/sars/business_guidelines.htm

If you have any questions or need additional information, please contact the Department's Office of Occupational Safety and Health at 202-482-0211.
